**JOINT STATEMENT OF COMPLIANCE  
WITH MANDATORY SETTLEMENT DISCUSSIONS**

Plaintiff Mynette Technologies, Inc., Defendant the United States and Intervenor-Defendant Unisys Corporation provide the following Joint Statement of Compliance with mandatory settlement discussions pursuant to Rule 17 of the Patent Rules of the United States Court of Federal Claims (“PRCFC”).

The Parties confirm that they met and conferred by telephone on the subject of settlement within seven (7) days after entry of the Court’s Claim Construction Opinion and Order, issued on August 17, 2018 (ECF No. 68) in compliance with PRCFC 16(a). Settlement discussions among the Parties have been conducted since that date and are continuing. The Parties agree that it

would be appropriate for them to engage in informal discovery relating to the exchange of documents which they believe may facilitate more detailed and informed settlement discussions. To this end, the Parties believe they will need 60 days within which to exchange, review and discuss such documents and will report back to the Court on the status of settlement no later than October 31, 2018, or earlier if the discussions are successful.
